Première Etape

Nous avons commencé par mettre en place la gestion de projet.

Planning Prévisionnel :

Nous avons ensuite listé chaque tâche à réaliser. Puis nous nous sommes appropriés les tâches en fonction du niveau de chacun.

Réalisation des tâches

Pour ma part j'ai réalisé la page Services ainsi que la page About. J'ai réalisé le contenu des pages sans réaliser le menu (header) et le pied de page (footer).

THE DESIGNER

DEBBIE

CREATIVE DIRECTOR

Debbie is a talented creative who likes to be known by her first name. And what better way to describe a person than through Haiku:

Strength is nice design.

Creative style: less is more

Still has giggles fits.

THE COMPANY

At Slipstream our work does the talking; as do some testimonials sprinkled throughout the site.

We know that design is important. It is everywhere. Billboards, TV, street signs, newspapers, magazines, websites, social media.

You are here looking at this page for one of two reasons.

1. You have a design quandary and need some help, or;

2. You are the competition and you're checking us out...don't worry, we like hunting out great design too!

If you're in the first group, then solving all your creative problems is what we're all about. We have an innate ability to produce graphic design that not only looks good but works hard. We will find the right solution for you.

Come and tell us your story. We'd love to hear it.

Our design philosophy

Design should be:

- Unique
- Understandable
- Relevant
- Simple
- Versatile
- Measurable

The devil is often in the detail.

Une fois la réalisation du contenu finis j'ai réalisé le haut du footer. Avec la banderole orange ainsi que l'espace contact.

I was a little worried about coming to a creative studio as they've struggled to get it before, but Slipstream got it straight away

Difficulté rencontrer

J'ai commencé à positionner chaque élément en position relative car je n'arrive pas à placer autrement les éléments. J'ai reçu ensuite l'aide de mes collègues ainsi que de mes mentors afin de pouvoir placer correctement les éléments en display : flex .

Planning Rétrospectif

The screenshot displays a 'Planning rétrospectif' interface. At the top, there is a title bar with the title 'Planning rétrospectif', a star icon, a share icon, and the text 'Visible par l'espace de travail'. To the right, there is a 'Tableau' button. The main content is divided into two columns for 'Lundi' (Monday) and 'Mardi' (Tuesday). Each column contains a list of tasks, each with a title, a status icon (eye), and a circular tag with a letter or code. At the bottom of each column is a '+ Ajouter une carte' button with a card icon.
